Bookings and deposits

In order to secure your place on either a sailing trip or a course, please send us the details we request by e-mail and pay the full amount requested. If the event is more than 6 weeks away you may decide to pay a refundable deposit rather than the full amount.

Deposit amounts are as follows:

- If the full amount payable is under £150 we require a £50 deposit
- If the full amount payable is over £150 we require a £100 deposit

Payment options: Paypal, bank transfer or cheque, payable to Sail Boat Project CIC and sent to our address at 130 Hollingbury Park Avenue, Brighton, BN1 7JP. Bank details are available on request.

Cancellations and refunds

- Deposits are non-refundable.
- Cancellations made within 42 days of the start date of the holiday/course result in the full payment being non-refundable.
- Cancellations made more than 42 days before the start date of the holiday will result in the balance of payments being refunded if they were paid in advance. A portion of the deposit may still be held by Sail Boat Project to cover costs that we may have incurred, but usually we can return the full amount.

We understand that sometimes cancellations are unavoidable and we will always refund monies paid as fully as possible without leaving us out of pocket. If you were to pull out of a course the week before we will probably only be able to refund your money if we can replace you in that last week.

Cancellations by Sail Boat Project

Sail Boat Project CIC reserve the right to cancel holidays and courses at our discretion. If we are forced to do so, such as due to bad weather, we will work with you to attempt to find you a suitable replacement or if not we will refund all of your money. However, Sail Boat Project cannot be held responsible for any other loss that you may have incurred due to cancellation of your course or holiday.

You are advised to take out holiday insurance if you wish to be covered for this potential loss. When sailing in the past we've used click4quote.com in the past – they have a policy called a Mariner's policy which expressly covers sailing. Please check that it will cover everything you want it to. If sailing to the continent, or you are visiting us from the EU, it is worth having an up to date E111 Health Insurance Card. Please note that these are not valid in the Channel Islands and separate health insurance is advisable if travelling there.

Alterations by Sail Boat Project

Sail Boat Project CIC reserve the right to alter the destination of courses and holidays at our discretion, subject to discussion and agreement with customers. Alterations will only be considered in the anticipation of extreme weather conditions, and customers will be substituted with a sail passage of equal value and duration, or be offered to re-schedule to the next available trip to that destination.

Complaints Procedure

While we do everything we can to make your time with us enjoyable, rewarding and safe, you may feel we have not met your expectations in some way. We would strongly encourage you to raise any problems you encounter with us immediately, while your trip is ongoing so that we can address your concerns right away. If this is not possible for any reason, please contact us in writing (i.e. by letter or email) within 35 days of your return home setting out the basis of your complaint.

We will acknowledge receipt of your message as soon as possible, so that you know we are dealing with your complaint, and let you know when you can expect our response. This will normally be within 7 days, but some complaints may be more complex and need longer to resolve.

A member of Sail Boat Project who was not present during the trip/course that the complaint pertains to will investigate. We will ask the skipper, first mate, and where necessary other crew members present to obtain a balanced view of the issue. We will provide a response to your complaint as promptly as possible, and offer compensation where appropriate.
